- Mousesquad
- Science supplies

SPARK COUNTS ON YOU

FOR MORE THAN 35 YEARS, SPARK has provided financial support for our District. As it stands our schools are community funded. This means that parents, family members, business partners and other community members fund the education our children receive at The Cove, Neil Cummins and Hall.

DID YOU KNOW?

Nearly half of the California school districts have created foundations to provide additional funding for their schools and our district is no exception.
